COLLEGE OF ENGINEERING, BANGALORE.

Abstract Notification dated the 14*th February* 1938.

The attention of the public is invited to the detailed Notification, published in page 205, Part VI of the *Mysore Gazette*, dated the 10th February 1938, calling for tenders for workshop, and building materials required for the College.

Each tender must be accompanied by a deposit of Rs. 25 in cash as earnest money.

The last date for receiving tenders is 28th February 1938.

B. KRISHNASWAMY IYENGAR,
Principal.

MYSORE GEOLOGICAL DEPARTMENT.

Abstract Notification.

The attention of the public is invited to the detailed notification, dated 5th February 1938, regarding the sale of rejected tents in auction on 26th February 1938 at the Office of the Director of Geology, published on page 207, Part VI of the *Mysore Gazette*, dated 10th February 1938.

B. RAMA RAO,
Director.

OFFICE OF THE DIRECTOR OF AGRICULTURE IN MYSORE, BANGALORE.

Notification No. Roc. 1677—*C. A.* 79—37-38, *dated* 11th *February* 1938.

It is hereby notified for the information of the public that one unserviceable Bicycle will be sold by the undersigned by Public Auction on Saturday the 26th February 1938 at 2 P.M. at the office premises of the Director of Agriculture in Mysore, Seshadri Road, Bangalore.

(*a*) The article will be knocked down to the highest bidder. In the event of any dispute arising between the two or more bidders offering the same price, the decision of the sale conducting officer is final.

(*b*) The article purchased shall be at the risk of the purchaser thereof from time of sale.

(*c*) Cash shall be paid in full for the article purchased by the bidder before delivery of the article.

B. SANKAR RAO BADAMI,
For *Director of Agriculture.*

Notice No. Roc. 2306—*Sc.* 234 *of* 1937-38, *dated* 9*th February* 1938.

Sealed tenders will be received in the office of the undersigned up to 12 noon on 25th February 1938 for the transport of the spraying materials noted in the schedule.

2. The tenders should be sent in the form given below noting rate at which the transport will be undertaken.

3. The rates quoted by the contractor should hold good for a period of one month from the day of the opening of the tenders.

4. The rate quoted for the transport of the materials to each place will be considered as a separate tender by itself.

5. The earnest money as shown in column 7 of the schedule should be in currency notes or in the form of cheque on the Imperial or Mysore Bank.

6. The undersigned does not bind himself to accept the lowest tender or to assign any reason whatsoever for the rejection of any tender. If any person withdraws his tender before the acceptance or rejection of his tender is communicated to him or when the tender is accepted fails to deposit the security amount and execute any agreement for fulfilment of the contract as specified below, the earnest money deposited by him will be forfeited to Government. The acceptance of the tender rests with the Director of Agriculture.

7. The contractor shall be held responsible not only for delivering the correct weight of the material at the destination but also for safeguarding against damage by rain or other causes during the time they remain in his charge.

8. The name of the successful tenderer will be notified and he will be required to deposit as security the amount noted in column 8 and to execute an agreement for fulfilment of the contract as soon as the intimation of acceptance of the tender is received. The earnest money on rejected tenders will be returned.

9. In case of dispute of any kind with regard to the actual road mileage or any other aspect of the contract, the decision of the undersigned shall be final.

10. The contractor should undertake the transport early. The materials will be given to the contractor at intervals during a period of six months (either whole or in part) at the Station in the schedule. This contract will be in force for six months from the date of acceptance of tender.
